OFFICIAL STATEMENT OF FACTS

On August 4, 2013 at [REDACTED] the defendant, Anthony Martin, (46) and victim (14 yr old female) met on 8/3/2013 at a work/pool party that was hosted by victim's mother's boyfriends, witness 3, boss. During the party defendant and victim spoke within a group setting containing adults. Defendant and victim did not speak separately during this time. Later, while walking to a fire pit area defendant placed his hand on the buttock of victim two times grabbing it. Prior to leaving so that they could attend a concert, victim's mother and witness 3 went to speak with the host. During this time defendant asked victim for her cell phone number and obtained an email account that belonged to victim and was used in for use in the iPhone. Victim then received text messages from defendant after victim left at approximately 5:30 in the pm. Defendant and witness 4 went back to their house at approximately midnight. Defendant then reinitiated contact via iPhone messaging at 12:30 am 8/4/2013. Defendant's texts messages related that defendant wanted victim to sneak out of parents house to "hang out" with defendant and so that victim could obtain a belly button piercing. Questions also revolved around if victim was romantically interested in defendant.

On March 23, 2015, the defendant pled guilty to Solicited to Meet a Child and sentenced to 3 years Illinois Department of Corrections, 119 days time served, and \$627.00 in fines and fess.
