NARRATIVE CONTINUATION

The information about [REDACTED] being warned by her mother about Tony and that Tony touched her butt was not revealed in my interview with [REDACTED] or the interview with [REDACTED]. The interview with [REDACTED] ended and we brought her back to the soft interview room and asked to speak with [REDACTED] again and brought her back to the conference room at 1955 hours. I asked [REDACTED] if she was in the car the entire time [REDACTED] was telling [REDACTED] about the texts and she advised yes. I asked [REDACTED] if [REDACTED] mentioned that Tony touched her and [REDACTED] said yes, she forgot to mention it earlier and related that when [REDACTED] told her the first time that she said Tony touched her butt while she was at the party. We asked how he touched her butt and [REDACTED] advised that [REDACTED] was standing and he touched her butt from behind but did not elaborate. [REDACTED] also related that [REDACTED] told her that her mom warned him to be careful around Tony he goes for younger girls. [REDACTED] advised this was also said when [REDACTED] told [REDACTED] in the car. The interview ended with [REDACTED] and we walked her back to where her mom and sister was. We thanked them for coming in and I walked them out to the lobby area.

ASA Shaw advised he was C.I. (continuing investigation) the case to have [REDACTED] and her mother come back in to speak with us. ASA Shaw requested they come in at 1200 hours on 8/21/13 and also requested we contact Tony's room mate, Bill, who had attended the party with Tony. I made contact with [REDACTED] mother, and asked her to come in at 1200 hours with [REDACTED] because of new information revealed by [REDACTED] and her sister that needed clarification. [REDACTED] advised she would be here for the interview with [REDACTED].

Inv. Kein advised the shift supervisor that the case was still under investigation and he would be held. Inv. Kein also advised suspect of this and suspect advised the detention aide about medication he needed. Arrangements were made for his room mate to bring the medication to the station for him. When his room mate brought the medication to the station I met with Bill (suspect's room mate) and asked him if he would be able to come to the station tomorrow (8/21/13) to speak with the Assistant States Attorney reference this case; I asked Bill not to discuss this with anyone at his work since he also works with suspect and [REDACTED] as it is an ongoing investigation. Bill advised he would be in after 1230.

At 1145 hours on 8/21/13 I was advised by our front desk that [REDACTED] was at the station with her parents. I proceeded up front and met with [REDACTED] and her mom, dad and mother's boyfriend. I advised them that I would bring [REDACTED] and her mom back to our investigations area soft interview room to speak with the Assistant States Attorney when he arrives and it was about new information disclosed to us from her outcry witnesses, [REDACTED] and [REDACTED]. I brought [REDACTED] and [REDACTED] back to the investigations soft interview room to wait. A short time later, I was advised that ASA Shaw was at the station and I went to the lobby to bring him back to the investigations conference room. I then brought [REDACTED] back to speak with with ASA Shaw and myself in the conference room at 1225 hours. We explained the purpose of [REDACTED] being brought back in was to clarify what she had told [REDACTED] and [REDACTED]. We asked her
